

ISO 9001:2015

Mechanical Gear Supplier and Manufacturing, Akron

Premium Components...Without The Premium Price

AEG is a highly acclaimed name among manufacturers of precision gears, spur gears, helical gears, shaved gears and gear boxes.

Market Capabilities

- Aerospace
- Automotive
- Industrial
- Textile
- Rail
- Defense
- Construction
- Printing
- Machinery
- Marine

List of Equipments

- CNC Gear Hobbing
- Gear Shaping
- Gear Shaving
- Straight Bevel Gear Cutting
- Broaching
- Grinding
- Boring
- Tooth Chamfering
- Gear Deburring
- CNC Lathe Tools & Utter Grinder
- Milling
- Slotting
- Drilling

Products

- Precision Gears
- Worm Wheels
- Worm and Spline Shafts
- Transmission Components
- Timing Pulley
- Spur and Helical Gears
- Machinery Spares
- Gear Boxes
- Helical Gears
- Automotive Components
- Axle Housing

Gear Testing Machines

- Lead & Profile Error Tester
- Roll Testing Equipment
- PCD Checking Equipment
- Surface Roughness Tester
- Vertical Instrument with 2D Statistical Programming
- Profile Projector
- Rockwell Hardness Tester
